Miss Alice Reed Jones has returned to "Coverly," the country home of her parents, in Amelia County, after having attended the Leesburg and Upperville horse shows. Miss Jones recently won the "Burmleigh Trophy," a handsome silver platter, presented to the most accomplished horseback rider in Foxcroft School.

Mr. and Mrs. Archer Jones have been at "Coverly" since the latter part of May, and will not return to Richmond until fall.

Pretty Wedding.

An interesting event of the season was the marriage on last Thursday evening of Miss Mary Langhorne Cloyd, daughter of the late David McNutt and Mrs. Cloyd, of Pulaski County, to Robert Gerry Stephens, of Birmingham, Ala. The ceremony took place at the New Dublin Presbyterian Church at 7 o'clock. Rev. Wilburn N. Mebane officiating, and was witnessed by a large number of relatives and friends. The church was decorated in a color scheme of green and white and lighted with candles.

The bride, who was given in marriage by her brother, David McNutt Cloyd, wore a lovely gown of white satin and lace and her only ornament was a necklace of old pearls. Her veil of white tulle was caught with a coronet of pearls, and she carried a shower bouquet of white roses and lilies of the valley. She was attended by Miss Goodloe, in a gown of pale blue tulle, and Miss Harman, in pink tulle, carrying a bouquet of pink roses.

The bridesmaids were Miss Diller, Miss Pearl Ellis, Miss White, Miss Salie Harman, Miss Julia Ingles, Miss Fannie Lou Harman, Miss Muir and Miss Julie Ingles, who wore gowns of white tulle and carried bouquets of pink sweet peas and white tulle.

The groomsmen were Edwin Harman, Gordon Bell, D'Arcy Diller, Allen Cloyd, Tyler Ellis, Francis Cloyd, Colston Sheard and Ambrose Mayne.

The groom was attended by R. B. Mayne and Dr. John Cloyd.

Mrs. Leighton Acree, of Lynchburg, married the wedding music.

The ushers were William Langhorne, Maurice Langhorne, C. W. Harman, Jr., and David K. Harman.

Mr. and Mrs. Stephens left shortly after the ceremony for Birmingham, and will be at home in Ashland, Ala., after July 1.

The following boys leave next week for Camp Kaimowitz: Earl Seaborg, Charles Venable, Robert Leigh, Hiram Gates, Garrett Wall, Jr., Lewis Fleming, Turner Arrington and Irving Seaborg. H. B. Handy, of Richmond, is a graduate of this camp.

Miss Lynch Weds.—A wedding of unusual interest in Norfolk and Richmond society took place on last Wednesday evening at 8:30 o'clock at the home of the bride, in Stockley Gardens, Norfolk, when Miss Virginia Kemper Lynch, daughter of Dr. Julius F. Lynch and the late Mrs. Lucy Kemper Lynch, became the bride of Mr. Clifford L. Millard, son of Mr. and Mrs. Clifford L. Millard.

The ceremony was performed by Rev. David W. Howard, rector of St. Luke's Church, and a stringed orchestra played the wedding march.

The bride entered the drawing room with her father, by whom she was given in marriage, wearing a gown of white satin veiled in tulle, with a court train of tulle and a shower bouquet of white roses and lilies of the valley.

Her veil of tulle was arranged from a coronet of orange blossoms and her flowers were a shower bouquet of lilies of the valley and gardenias. The maid of honor was Miss Allen Gray, of New York. She wore a gown of white Georgette crepe with an overdress of tulle made in the hoop skirt style, and her flowers were white sweet peas and maidenhair fern.

Little Miss Catherine Baird, daughter of Mr. and Mrs. Edward R. Baird, Jr., was the flower girl. She wore a frock of white lace and carried a basket of white sweet peas. Little Fritz Volting, Jr., son of Mr. and Mrs. Fred Volting, of Richmond, and Edward R. Baird, Jr., were the ring bearers, and both wore white David Copperfield suits.

The bridegroom had as his best man John Young Brown, of St. Louis. Later in the evening Mr. and Mrs. Millard left for a Northern wedding trip and, on their return, will reside at the bride's home in Norfolk until October.

Owing to mourning in the bride's family the wedding was an extremely quiet one, with only the two families and a few intimate friends present, among them being a number of relatives from Richmond.

Among the out-of-town guests present were Mr. and Mrs. Fred Scott, Mr. and Mrs. Fred Nix, Mr. and Mrs. S. D. Walton, Farmville, Va.; recording secretary, Mrs. James W. Bruce, of Birmingham, Ala.; treasurer, Mrs. D. A. McMillan, of Missouri. No announcement was made as to the next annual meeting.

PETERSBURG GRAYS PREPARING FOR CAMP

Command Recruiting Rapidly, and Talk of Forming Second Company Is Heard.

FOUND GUILTY OF MURDER

James Healy Sentenced to Be Electrocuted on September 20—Veterans of Forty-Eighth Pennsylvania Regiment Visitors to City.

[Special to The Times-Dispatch.] PETERSBURG, Va., June 20.—Captain W. Ben Davis, of the Petersburg Grays, who holds an important position at the Du Pont works, has arrived in the city to take command of his company, in response to the call for mobilization. His position at the Du Pont plant will be held open for him until he returns. Captain Davis will take the Grays into camp on the Lassiter farm, west of the city, for drill and discipline until Friday, when the company will leave for the mobilization camp at Richmond. Meanwhile, the company, which now has a strength of sixty-one, rank and file, is being rapidly recruited.

The military spirit is alive in Petersburg, and there is talk of organizing another light infantry company.

Sentenced to Death.—The trial of James Healy, a young white man twenty-three years old, a native of North Carolina, for the murder on April 9 of James Lewis, watchman at the Battersea Cotton Mill, was heard in the Circuit Court yesterday afternoon, and was ended this afternoon with a verdict of murder in the first degree. The jury, after the conclusion of the argument, was out only half an hour. Healy was defended by W. L. Lancaster and Jesse G. Brown, attorneys of Hopewell, and Samuel W. Zimmerman conducted the prosecution. Judge Mullen sentenced Healy to be electrocuted on September 20.

Two other men, A. D. Exum and H. D. Hinson, are under indictment as accessories to the murder.

Prominent Veteran Visitors.—Colonel Daniel Nix, of Pottsville, Pa.; Major P. R. Leib and wife, of Harrisburg, and Dr. Donnie B. A. Reid and George Morgan, of Pottsville, were visitors to the city to-day. They came to look after the handsome monument erected on the Jerusalem Plank Road in Prince George County, to the memory of the soldiers of the Forty-eighth Regiment of Pennsylvania Volunteers, who fell in a charge at that point during the closing days of the siege of Petersburg. This monument was erected mainly by contributions of the school children of Pennsylvania.

The report of the committee on the standardization of technical nomenclature, was read by the chairman, Professor J. T. Faig, of the University of Cincinnati, and discussed by J. S. Laporte, of the University of Virginia; Professor C. W. Park, of the University of Cincinnati, and William Kent.

At 1 o'clock this afternoon a luncheon was tendered to the visiting women at the Blue Ridge Club, this city, and this afternoon the delegates and their wives were taken on a motor trip to Monticello, the home of Jefferson.

BUILD ENGINES HERE.—Official Notice That Richmond Plant Will Fill Chesapeake and Ohio Contract.

Official notice that the recent orders of the Chesapeake and Ohio Railway for twenty-five locomotives of the Mallet type and the Seaboard Air Line Railroad for five engines of the mountain type would be filled in Richmond, was received at the local plant yesterday from the general offices of the American Locomotive Company, in New York.

The American Locomotive Company is negotiating for several other large orders, which are expected to be closed in the next few weeks, and it is anticipated that at least a part of this work will be made in Richmond. The local plant, while making rapid headway in completing its munitions orders, will hardly fill the order before August 1, it was stated yesterday.

Locomotive building will be resumed at the local plant as soon after the completion of the munitions orders as the necessary machinery can be installed, which is expected to take at least three weeks.

LADY, BLINDED BUT CONSCIOUS

Said She Would Turn Blind and Fall When Nervous Spells Came on, Yet Remained Conscious.

Odessa, Fla.—"About two years ago," writes Mrs. J. D. Powell, of this place, "I took several bottles of Cardul as a tonic, for I was run down in health. In fact, I could hardly do anything at all, could only drag around and couldn't do my work. Life was miserable to me, and I knew I must have some relief, as I was so very weak. I would suffer with aching pains in my right side, back
